

SAVE THE DATES

CRM HEALTHCARE FIRST QUARTER 2010 CME PROGRAMS*

(*Partial list of accredited programs with confirmed dates as of December 31, 2009)

In conjunction with our accredited educational partners, CRM Healthcare is please to offer a host of CME options for the first quarter 2010. Our e-learning programs help providers overcome the constraints of time, distance, and finances, while providing the opportunity to learn from national experts who would otherwise be unavailable, and an ability to interact with providers with different experiential backgrounds. Save the dates for continuing education that connects!

For a full list of programs and more information, please visit www.crmhealthcare.net
